# chewy Puppy Potty Training Chart

DATE	TIME	PEE	POO	ACCIDENT?	NOTES

## POTTY TRACKING TIPS

**30** Take puppy to a potty area on-leash once every 30-60 minutes.

**1-2** At night, one or two outings are enough.

 As soon as puppy is done potty, praise them and give a treat!

 "Notes" can include if puppy went inside or outside, etc. Also track location and changes, like soft stool or diarrhea.
